

# **Equal Access**

We aim is to ensure that, within our group of churches, everyone is treated with respect and given equal opportunity to join us in with our worshipping community, and community events.

Everyone will be respected and valued, and everyone is welcomed into our church. We commit to providing equality and fairness to all.

When the clergy and PCCs select and appoint candidates for specific roles and areas of responsibility they will do so on the basis of their aptitude and ability.

Everyone will be given help and encouragement to develop their full God-given potential and utilise their unique talents.

Our churches commit to:

- Creating an environment in which individual differences and the contributions of all members are recognised and valued.
- Promoting equality in the activities of the church in a manner which believes is good management practice.
- Encouraging everyone to treat each other with dignity and respect.
