

**Prayers for
September &
October**

WE JOIN TOGETHER TO PRAY ...

May this season remind us that it is **God who gives us the breath of life**. May the harvest from the fields remind us of the abundance we have been given and bounty we are to share with others. May the dying of summer's spirit remind us of your great promise that death is temporary, and life is eternal.

September and October are months of **new starts**. The start of a new school year for our young people as they begin at new school (or university) or move up a class/year; a time of excitement and trepidation. We pray for all these people; also remembering their teachers, tutors, support staff and the parents! We pray for those leaving home for the first time or starting new jobs. May this period in all these people's life be exciting and foundational.

We pray for **St James church, Wyesham**; for those who have attended the church for many years and have wonderful stories to tell of what God has done. We pray for the community here – and our opportunity to offer Community Coffee morning. We ask for God's continue blessing on Wyesham Together, as both churches (including Wyesham Christian Fellowship) look to build God's kingdom community.

We **thank God for his wonderful creation**, which is so visible to all of us living in this part of the world. We wait for the spectacular colours of autumn and God's stunning pictures of seasonal change. We remember that the autumn months bring about thoughts of harvest moon nights and misty mornings. Creator God may we see you at work in those around us at this time.
