

Travelling Light Retreats for 2026

“Travelling with God”

It is a theme that has captured the attention of many, for centuries. Why? Because the whole of our lives are a journey. And within this one journey there are many other smaller journeys; some are planned; some happen when we least expect them too; some take us up to proverbial mountain tops; others take us through proverbial valleys; some we do alone and some are done with others.

And in all of this God has promised to walk with us every step of the way.

Each of the days take on a slightly different emphasis. But all of them will lead us closer to Jesus:

Saturday 21st March - **Setting out.**

Saturday 9th May - **Hope on the way.**

Saturday 4th July - **New Horizons.**

Saturday 12th September - **Journeying on.**

The retreats are held between 10am and 4pm at St Dubricius church, Whitchurch, a picturesque church nestled by the river Wye, with facilities. Booking in advance is essential as places are limited.

Refreshments are provided throughout the day. Most people bring a packed lunch although there is a village and petrol station shop nearby.

To book your place please contact us at travellinglight@supanet.com

There is no charge for the day but donations are appreciated to support the work of Travelling Light.

Address: St Dubricius church, Whitchurch, Ross-on-Wye, HR9 6BZ
