

Benefice News – Sunday 10th May 2026

What a lovely **Wyesham Together** week we had last week. Our days began with the children serving visitors breakfast and getting to ask them lots of questions. We then thought about what HOME, in the widest sense meant and our connection to the land we live on (Adam was, after all, made from earth) so there was time to make our own clay figures. We then went out, using a map, to explore where we lived (and played some games!). It was lovely to see the children really engaging and having fun!

Our services and events are as follows:
