

Benefice News – Sunday 14th June 2026

And so, we hurtle towards the approach of another longest day of the year. As we do so we give thanks for the gift of light and the beauty of God's creation, despite the wetter and slightly cooler weather at the moment! May the long daylight hours remind us of Christ, the Light of the World, whose presence shines into every corner of our lives. Just as the sun lingers in the sky, may we be aware of God's constant love and faithfulness surrounding us each day. May this season encourage us to walk in the light of Christ and reflect that light to others.

Our services and events are as follows:
